REMEMBRANCE

Dr. Rajeev Lochan Borah, at age 59, evanesced off his mortal coils on Thursday, August 24th, 2017 at his residence 'Neer' in Golaghat. A Person with an exuberant nature and of good cheer, is survived by his wife and two children. Hitherto, he was the Vice-Principal of Golaghat Commerce College, Associate Professor in the Department of English, Former Head of the Department and a Doctorate degree holder on the topic "Study of Race Relations in the Novels of John Masters and Paul Scott" from the prestigious Dibrugarh University. Socially active and forever enthusiastic, he was a versatile personality having multiple fortes including his association with the film and theatrical society. Forbye, he was one of the pioneers in Quizzing in Golaghat and Assam, as a whole. The Golaghat Commerce College fraternity bereaves the sudden demise of an intellectual and a dynamic soul.

This man with a golden heart will forever burgeon in the memories and hearts of the people. As in the words of Thomas Campbell "To live in hearts we leave behind is not to die."

We also condole premature demise of Bobi Goswami, A Student of B.Com. 6th Semester lost her life during her Final Examination on 30th May, 2017

From the Principal's Chair ...

Dr. Jatindra Nath Saikia
M.Com., M.A.(Economics)

Principal, Golaghat Commerce College

Any Higher Education Institution (HEI) should aim at developing the mind, heart and spirit of its primary stakeholders namely, the students. This can only be made possible through the adoption of a holistic and integrated approach. From its very inception Golaghat Commerce College has had a long-term commitment to holistic education and has been successfully awakening the deepest potential in students, faculty and staff. It is evident from the fact that we come across our alumni in every nook and corner of the world. They are well established and yet are very much attached to their alma mater.

Being a premier HEI of commerce and arts in the state, Golaghat Commerce College has been serving as an incubator of intellectual and professional life facilitating and encouraging the students to develop themselves as wholesome human beings with the conviction to come in terms with the wider world. In order to ensure a liberating and capacity building environment in the college, efforts have been on to encourage the art and practice of transformational education without which higher education is handicapped and sterile. It is through transformational education that we are trying to educate the whole person by integrating the inner life and the outer life. The marriage of these two lives is a pre-requisite for success in business and art.

This well-documented pictorial communiqué is a testimony to our endeavour to encourage our students, faculty, and staff to move from the individual, personal mind to the social, relational mind. Harvard researcher Robert Kegan has rightly observed that higher education's chief responsibility is to foster a transformation from independence to interdependence.

Pictures Speak for Themselves

We relive our lives through memories. The Editorial Board of this Communiqué, according to the wishes of the Principal, Golaghat Commerce College, is trying its best to bring up exhilarating flashbacks of some of the events in and around Golaghat Commerce College for the last two years. The efforts of every educational institution should be to unlock the treasure hidden inside the students, and our college is an excellent example where the stakeholders strive for excellence. Golaghat Commerce College has been shouldering the responsibilities for last 44 glorious years with an aim to spread education and produce young and efficient graduates. *"Triumph, a pursuit of glory"* captures some significant moments to make sure that these snapshots help our stakeholders in recapitulating their journey directly or indirectly in Golaghat Commerce College.

It gives me immense pleasure to offer my thanks and gratitude to the authority of this college for giving me the opportunity to edit this pictorial Communiqué. While collecting the photographs for publication, we found that galaxies of renowned personalities came to our college on different occasions, right from Dr. Amar Jyoti Chaudhary, Ex-Vice Chancellor, Gauhati University, Prof. Chandan Kr. Sarma, Tezpur University, Sjt. Munin Barua, famous film director, Sri Gaurav Gogoi, MP, Kalibor, Sri Mrinal Saikia, MLA, Khumtai, Prof. Parag Thakur, Acting President, Axom Sahitya Sabha, Dr. Paramananda Rajbonshi, Secretary, Axom Sahitya Sabha, Sri Hemkanta Saikia, Cultural Activist & Intellectual, Prof. Dambarudhar Nath, Dibrugarh University and so on. The photographs bear testimony to the activities of different cells of the college including the NSS, NCC(Both Boys & Girls Unit), Entrepreneurship and Career Guidance Cell, Women Cell etc. However, the photographs of some events organised by different cells could not be collected and so we have failed to present their name. Moreover, some photographs of different departments could not be printed due to bad resolution of the same.

This year we also had some tragic experiences. We lost one of our brilliant students, Bobi Goswami, who appeared in B.Com. 6th Semester examination, with Major in Accounting and Finance. Another shock that awaited us was the sad demise of Dr. Rajeev Lochan Bora, Vice-Principal and a versatile personality of Golaghat Commerce College.

In the preparation of this pictorial Communiqué, apart from the whole-hearted support and co-operation from the advisors and the members of editorial board, Sri Arindam Bora, Deptt. of Economics, Miss Monsumi Sarma, Deptt. of English and Miss Swadhinata Gogoi, Deptt. of English, guided and supported me a lot. The designer of this issue, Sri Monjit Singha(Ritu) and Sri Debojit Boruah, the proprietor of Probhati Printers along with the staff of the same extended their fullest support to me. Our thanks are also due to the publisher Bhabani Printers, Guwahati.

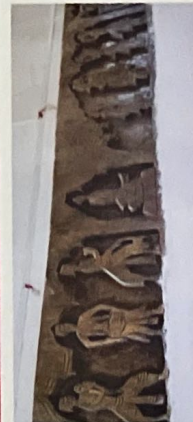

We regret any unintentional mistakes made in the course of the preparation of the 'Pictorial Communiqué' and hope that 'Triumph' will be a milestone in exploring more urgent and important issues in the times to come.
