Workshop on artificial jewellery making held at Golaghat

CORRESPONDENT

DERGAON, March 15: A workshop on 'Artificial jewellery making and preparation of bouquets' was organised by the Skill Development Cell and the Hindi Department of Golaghat Commerce College in association with its Entrepreneurship Career Guidance and Placement Cell on Monday.

The welcome address on the occasion was delivered by the Head of the Department of Political Science and coordinator of Entrepreneurship Career Guidance and Placement Cell Bhaskar Kakati, while college principal Dr Utpal Sarmah, through his motivational speech, encouraged the participants to attend such unconventional workshops.

The resource person, with specialised skills in artificial jewellery making and flower arrangement, was incidentally a former student of the college, who was accorded a warm felicitation by the college fraternity. The workshop was attended by 70 participants and ended with a vote of thanks offered by the Head of the Department of Hindi, Junti Dowerah.
