However, the UGC XII<sup>th</sup> plan guidelines for Minor Research Project for Teachers provides the Principal Investigators/Institutions are expected to settle the accounts immediately on completion of the project. In case the balance grant, if any, is not claimed within six months from the date of completion of the project, the same will lapse and no representation will be entertained on this behalf. Therefore, in light of the inordinate delay in submission of relevant documents beyond stipulated time frame, the balance grants under the scheme stand lapsed and the accounts of grants-in-aid vide aforesaid UGC approval may be treated as settled.

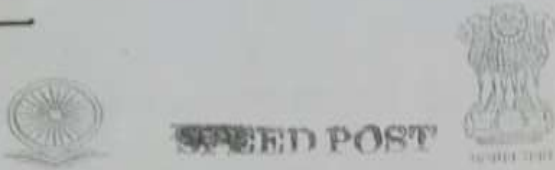

This issues with approval of JS (NERO).

#### 14. SUMMARY OF THE FINDINGS:

There are 17<sup>th</sup> no's of undergraduate college in Golaghat district. Among them 14<sup>th</sup> no's are provincialize by the Government of Assam. Among them Commerce stream of Sarupathar College, Arts Stream of Golaghat Commerce College, and full-fledged college of Borpathar, Kamarbandha, Melamora, CNB & Marangi College were provincialize in the year 2013. All 14<sup>th</sup> no's of colleges in Golaghat district eight no's colleges are included in urban category and 6<sup>th</sup> no's in rural category. Newly provincialized Borpathar, Kamarbandha, Melamora, CNB and Marangi College are not invited NAAC for assessment till now.

Academic Schedule of the B.A./B.Sc./B.Com. programmes in the Semester System shall be administered by the Academic Calendar of the Dibrugarh University published for every academic session. Here 20% marks for internal assessment and 80% marks for End- semester examination in each course during every semester.

For internal assessment distribution of marks on the basis of Sessional Examination, Seminar/Group Discussion, Assignment & Attendance. There are no any rigid rules and regulations followed by the teachers on awarding the internal marks. In B.Sc. course DKD College, in B.Com course Golaghat Commerce College and in B.A. course Melamora College produce better performance in different semester examinations. Lack of proper infrastructure facility is found one of the problems of rural colleges of Golaghat districts. Lack of internet facility, separate department/personal room, transportation facility, appropriate class rooms etc. are also found in rural colleges. But there is no difference among the rural and urban colleges of Golaghat Districts on performance. In some cases academic performance in different semester's urban college is better than the rural and some semester's rural colleges are better than urban colleges.

Maximum teachers are not satisfied in present system of assessment and syllabus. No teacher was interested to take viva voice after seminar presentation for internal assessment

The rate of Stagnation is very high in every semester. So that workload of the students is gradually increased in every semester. In B.A, B.Com and B.Sc. 6th semester, average stagnation in Golaghat district was not less than 30%.It means only 70% student can able to complete their all semester regularly.

Among the all semesters result it was found that students achievement of Melamora College is exceptionally high than the other colleges of Golaghat district.

#### 15. CONTRIBUTION TO THE SOCIETY:

The purpose of higher education is to prepare the students for good citizenship in a democratic society. Here try to improve students critical thinking, capacity to evaluate decisions, develop social responsibilities, cultivate and appreciation of aesthetical and ethical values etc. in socio-cultural prospective. Contributions to the society through the present study are:-

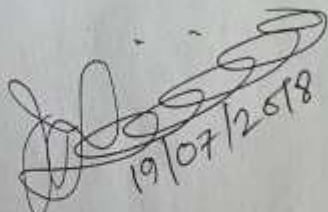

1. Society can be able to know about the procedure of semester system in under-graduate level.
2. Society will be able to know existing assessment procedures in the semester system as well as its different problems.
