Seminar Chairperson :- Dr. Jatindra Nath Sikia,
Principal, Golaghat Commerce
College.

Objective of the Seminar :- To discuss the
State Budget of Assam, its objectives,
positive aspects as well as shortcomings.

The Seminar opened with a welcome
address by Prof. Gulfiqur Ara Begum.
She welcomed the chairperson, the vice-
principal and all the other teachers that
were present in the seminar and asked
the chairperson to preside over the
seminar.

The Chairperson accepted the proposal
and explained the purpose of the seminar.
He explained what a budget is and asserted
that the experts will explain it in a compre-
hensible manner so that the layman could
understand it.

A Keynote was addressed by the
vice-principal of the college, Mr. P. K. Borahakar.
He said the discussion on the State Budget
is significant and laid emphasis on good
administration necessary for the smooth
functioning of the state. He also explained
that it is a powerful medium through
which the government can describe its
intentions and policies. Planning is very
much necessary and overall decisions
should be taken in harmony. He also
added that the objective of budget is to
achieve equality. He focussed on Indian

Budget and explained the pre-liberalization era and post-liberalization era. He said that in the post liberalization era, notable changes were dismantling the old regulations. He explained the aims of Budget stating that it aims at boosting the economic state and reforming the entire financial system. He also said that the service tax is the main revenue of the government and could see notable reforms in the tax structure. He further added that he could not notice any measures to solve the basic problems such as unemployment, flood, soil erosion and laid emphasis on the misuse of government funds.

The chairperson in his comment said that after independence we have controlled economy. The government control has been reduced and privatization has been opened. He also said that the age is known as New-liberalization. He also stated that how the expenditure would be incurred and for that matter a crucial decision should be taken to prepare a Budget.

A joint paper prepared jointly by Prof. Moonmoni Baruah, HOD, Economics and Prof. Anindam Baruah, Assistant Prof, Dept of Economics was presented by Moonmoni Baruah. At first, the presenter thanked all the departmental colleagues and seniors for guiding and assisting them to prepare the paper on the Topic - "State Budget of Assam - 2016-17, an Analysis". She explained that a budget

is. In her paper, she said a Budget is a government document presenting the government's proposed revenue and spending for a financial year. She also explained the two components of Budget, i.e. Revenue Budget and Capital Budget and also its components. She also discussed the key Budget figures as presented by the finance minister of Assam. She explained some of the new schemes as announced by the finance minister Dr. Himanta B. Sarma. She said the minister announced cash award of Rs. 25000/- who would be able to apprehend bribe and also some other schemes as follows of the budget.

She also explained that the Budget has positive aspects as well as negative aspects. She said it to be a people friendly budget as it focuses the basic problems of the mass. It is also positive in a way as it gives topmost priority on the key sectors of the economy such as education, public health and rural development which is praiseworthy. And announcing an award of ₹ 25,000/- is also praiseworthy. She also explained the shortcomings of the Budget in a very beautiful and comprehensible manner. She said, no scheme has been announced for industrial development, no importance on agricultural development, no measure for checking price rise, no scheme for employment generation, no measure for revenue collection, conversion of some

schools from SEBA to CBSE is not satisfactory measure for educational quality development, no measure for flood control, irrigation, checking land erosion etc.

In her findings she said, they are trying to give some recommendations. The Scheme should have a proper implementation to check corruption in implementing different schemes properly, measures for checking price rise should be taken. She also said about taxing the big tea planters (occupying a huge amount of land and paying very small amount). Measures for industrial development, policy for land acquisition and increase allocation of resources to important areas.

In a nutshell, she explained Budget as an instrument through which the ideas and thoughts of the government are reflected. It can be regarded as successful in reflecting the government's commitments.

Regarding the paper presented by Hoonmoni Baruah, the Chairperson said it to be a well organised paper. He said that she has explained it very eloquently and presented a broad concept in a very lucid manner. The chairperson also asked whether the scheme of converting schools from SEBA to CBSE should be included in the budget. Other schemes for industrial development should

About the Seminar
Introduction

The North Eastern Region (NER) refers to the northeastern region of India comprising of eight states and it shares borders with five South Asian countries Nepal, Bhutan, China, Myanmar and Bangladesh. The region accounts for 7.9 percent of the country's land space and is the territory of around 3.8 percent of India's population. The North-East Region is one of the backward regions of India characterized by low per-capita income, low capital formation, inadequate infrastructure facilities,

geographical isolation and communication bottleneck, inadequate exploitation of natural resources like mineral resources, hydro power potential, forests etc. Apart from these, there are inter-state differences with respect to their resource endowments, level of industrialization as well as infrastructural facilities.

After independence, the Government of India (GOI) has persistently tried in developing sustainable livelihood and integrating approach to tackle poverty in India. In addition, employment generation to eradicate poverty was accepted as a goal of development planning. Since 1960s, series of measures were taken such as nationalization of banks, expansion of rural branch networks, mandatory system of priority sector lending, extension of subsidized credit, establishment of regional rural banks (RRBs) and the Integrated Rural Development Program (IRDP). These initiatives have increased rural outreach and credit volume to some extent. However, higher operational costs as well as unstable and unprofitable institutional structure conceived these programmes as supply led and not demand driven. In addition, the lack of entrepreneurial skills and absence of backward and forward linkages led to the failure of government initiatives. Huge non-performing assets (NPAs) weakened the strength of financial institutions and further reduced their interest in rural areas. The era also witnessed the establishment of apex institutions such as National Bank for Agricultural and Rural Development (NABARD) and the Small Scale Industries Development Board of India (SSDI) and many other societies, which were extending credit to poor.

In order to encourage entrepreneurship, GOI has come up with various initiatives such as the National Rural Livelihood Mission (NRLM), National Urban Livelihood Mission and National Rural employment guarantee scheme to reach out to poor families and link them to sustainable livelihood opportunities. Skill India - a multi-skill development programme has been launched in 2014 with a mission for job creation and entrepreneurship for all socio-economic classes. It strives to establish an international equivalent of the Indian framework on skill development, creating workforce mobility and enhancing youth employability. The Union Budget 2015, launched the National Skill mission to complement Prime Minister's 'Skill India and Make in India' initiatives.

The key issues begged for discussion in the seminar are

1. Microfinance and Livelihood Approach
2. Capital Formation, Entrepreneurship and Rural Infrastructure
3. Rural Finance - Role of Government

Local Institutions

1. State of local self-government in sustainable rural livelihoods
2. Microfinance and Financial Inclusion in NE Region- Access and Impact
3. Rural Marketing and Infrastructure for sustainable rural livelihoods
4. Rural Financing and Rural Credit- Role of NABARD and RRBs
5. Economic Empowerment of Rural Women through Self Help Group and Micro Finance
6. Role of Poverty Alleviation Programmes in Rural Development
7. Agrarian Structure and Occupational Diversification in NE region of India
8. Role of non-farm activities in uplifting Rural Poor
9. Health, sanitation, education and other factors as a pre-requisite for rural development
10. Information and Communication Technology for Agriculture and Rural Development

Golaghat Commerce College

The Golaghat Commerce College was established on 19th October, 1972. The college is situated at Jyoti Nagar, about 3 Km. away from town bus stand and easily approachable from Jyoti Government Path and D.R. College road. The mission of the college is to cater the academic and professional needs of the students through value based quality education and also to promote the marginalized students in order to uphold social equity with an objective of creating ethical human capital in the form of globally competent entrepreneurs, managers and business.

Stand in Golaghat

The college is about 300 Km away from Guwahati-the gateway to North East India which is well connected to all the major cities of India. From Guwahati, bus and train services are available to Golaghat. The nearest airport is Jorhat town which is about 48 Km away from Golaghat. The nearby Railway junction is Phulbari at a distance of 8 kms. The college is very famous for tourist hotspots Kaziranga National Park, the world heritage site, is at a distance of 50 Kms from Golaghat town.

Organizer	Department of Economics, Golaghat Commerce College
Date	25th November, 2016
Venue	Rana Tamuly Memorial Auditorium
No. of Participants	30

A discussion on Demonitisation Policy of the Government of India and its effect was organized by the Dept. of Economics, Golaghat Commerce College with the support of IQAC in the Rana Tamuly Memorial Auditorium on 25.11.2016. The discussion was chaired by Mr. Prassanna Kumar Borthakur, the then Vice Principal of the college. The discussion became successful with active participation of around fifty teachers and students of the college. Around eight teachers forwarded their views on the said topic and the participants expressed their views about the positive as well as negative aspects of the policy.

Mr. P.K. Borthakur as the chairperson stressed on the importance of November 8th, 2016 for the economy of the country. He also mentioned that one of the main reasons of demonetization is the existence of black money and fake currency. Following his speech, Mr. L.D. Saikia presented some effects of the Demonitisation Policy among which were declination in terrorist activities and effect of the policy on other short and long term policies of the country. The next speaker, Mr. Anup Kr. Das called November 8th, 2016 as a "Queue festival" with which the general people are highly dissatisfied. Mr. Rajesh Jaiswal mentioned the advantages and disadvantages of the policy. The event came to an end with the vote of thanks given by Mrs. Julee Dutta.

The Proceedings

Topic :- Demonetization Policy of the Government of India and Its Effects.

The discussion started with the introductory speech delivered by Mrs. Hoonmoni Baruah, the HOD, Economics. She has rightly pointed out the objectives of the discussion, as (i) To discuss about the demonetization policy of the Government of India and its effects and (ii) To discuss about the advantages and disadvantages of this policy and exchange the viewpoint of the teachers regarding the matter.

It followed by the speech of the vice Principal, Mr. P.K. Borahakur as the chairperson in the absence of the Principal. He said that the November 8, 2016 is a historic day for the country. Somehow it has systematized the monetary system of the country one of the main reasons of demonetization is black money and fake currency. He said, according to some

estimate, an amount of 40,000 crore fake currency is circulated in India. The main suppliers of fake currencies are Pakistan, Nepal, Bangladesh and Myanmar. This leads to terrorism. He added, till November 8th 2016, nearly 15 lakh crore notes of Rs. 500 and Rs. 1000 was circulated in the country. After demonitization, 47% of Rs. 500 notes and 38.85% of Rs. 1000 note were deposited in the banks. And 86.5% of the total Rs. 500 and Rs. 1000 notes were out of circulation. He also mentioned that this type of revolutionary step had been also taken in the past.

It is followed by the presentation of the speakers:

1. ~~Prof~~^{Mr} L. D. Saikia - He started his paper with an introductory note regarding demonitization as a very bold and hot topic in India today. It was a historic and unexpected step taken by our Prime Minister Narendra Modi.

Effects of the Demonitization Policy :-

- (a) The rich people were affected the most.
- (b) It has targeted the flow of fake currency and black money.
- (c) Terrorist activities declined.
- (d) He mentioned Finance Minister Arun Jaitley's speech that new cashless economy will prevail in the future India.
- (e) It will affect both the short term and long term policies of the country.

(6) It also affects the stock market, real estate and the day-to-day life of the daily wage earners.

(7) It will also change the political scenario of the country with the cease of black money the political parties illegal funding will stop.

He added, that although this is a sudden decision to ban Rs 500 and Rs 1000 notes, P.M. also gives the facility to the people to exchange, deposit, withdraw money and open accounts (if not) in the banks.

He also mentioned about the mobile campaign the P.M. has initiated in which 93% of India's population has supported the policy.

2. Mr. Anup Kr. Das :-

He said that during these days from Nov. 8th 2016, a kind of "Queue festival" started in the country. The policies disrespectful behaviour towards the general public was the most dissatisfying aspect of the policy. He has vehemently discuss the policy because it affected the common people rather than ~~that~~ targeted one's. He has pointed out that in the past, many countries like Soviet Russia, North Korea who had applied the demonetization policy had failed.

3. Mr. Rajesh Jaiswal :-

He said that, in social media he has found out that the idea from which P.M. was influenced was from a class 9

Standard book of Maharashtra. He also appealed the people that we should discuss about the practical aspects of this policy rather than the theoretical ones.

His sources are the Economic Times from 14th November to 21st November. From 2011 to 2016 the growth of Rs. 1000 and Rs. 500 notes went up to 76% and 109% respectively. The economic growth is 20-30%, which is a mismatch. In his observations;

Disadvantages :-

- (a) People have to stand in queues for hours together to exchange the existing notes.
- (b) The daily wage workers are sufferers which constitute 40% of the common people of the country.
- (c) Small scale business suffers.
- (d) New opportunities for brokers, middlemen, political underlings.
- (e) There is also a problem in transaction with Rs. 2000 notes.
- (f) For printing new currencies, the burden is again on the tax payers.

Advantages :-

- (a) 100% fake currency is out of circulation in one stroke.
- (b) It has to some extent decreased the hawala activities.
- (c) Hawala source driven out.
- (d) People returned to the banking system, therefore, banking network strengthened.

(d) Approximately 18.7 lakh, which include 7.5 lakh pending cases and 11.1 lakh pre-litigation case have been settled. Total value of settlement amount received is Rs 640 crore.

(b) Defaulters are clearing off their pending bills.

(g) Advance tax payment by the businessmen.

(h) Small vendors using digitalized apps.

(i) Till 21st November, Rs 5.5 lakh crore already deposited in banks.

In conclusion, Mr. Jaiswal talked about a theory "Creative destruction".

4. Mr. Atul Kumar Das :-

He said that, Economy is not money but resources. His paper was concerned about the impact of demonetization in country's resources. He elaborated how fake money and black money occur.

$$\begin{array}{rcccl} 900 & + & 100 & = & 1000 \\ \text{(value of resource/} & & \text{(tax value)} & & \text{(currency needed)} \\ \text{goods produced)} & & & & \end{array}$$

$$900 + \text{Fake money}$$

$$900 + 100 \neq 1000 + 100$$

$$\text{Corruption/Black money} \quad \text{(fake money)}$$

$$900 + 100 \neq 1000 - 100$$

$$\text{(Black money)}$$

To balance the equilibrium in economy, Government has to produce more currencies.

* In between, Mrs. Jalee Datta, talked about the aspect of properly redistribution.

5. Mrs. Gulfrigue and Begum :-

She forwarded her paper with special reference to the economy of Assam. The common people are affected. Kind of chaos was seen in petrol pumps, hospitals, transport and markets. The people also face problems regularly regarding lower denomination of money. She ended his discussion with a positive note.

6. Ms. Suchibrota Cheleng :-

She mainly focused on the middle class people and their attitude towards this policy. She also questioned whether the demonetization policy would adverse the situation of the country regarding black money and fake money. She is doubtful about the success of much ambitious plan of the Prime Minister - the Tax - Star Yajana.

7. Dr. J.N. Saikia, the principal also presented a paper. He started his paper elaborating the reasons behind P.H's decision.

(a) Black money outflow from India is \$505 billion which counted 333 lakh crore between 2004 to 2013.

(b) In 2007, World Bank declared that, India constituted consisted of 23.7% black money of GDP.

(c) Real Estate - dealing with black money was estimated 11% of GDP.

(d) Betting - consist of 3 lakh crore (2012) of which 100% is black money.

After demonetization this type of illegal transactions of black money has somehow decreased. In a positive note, government is receiving ample amount tax benefits.

At the end, Mr. Rajesh Jaiswal has given a valuable information that in near future India will have biometric registration of every dealing and Aadhar card will soon replace Pan Card.

The vice-Principal who is the chairperson of the discussion concluded the event and Mrs. Julee Dutta put forwarded the vote of thanks to all ~~the~~ the chairperson as well as all the dignitaries.

Sub.: Invitation for delivering a talk on **Promotion of Trade and Culture between South East Asia and North East India in the backdrop of India's Act East Policy**

Sir,

We deem it a privilege to invite you to deliver a talk on the topic "*Promotion of Trade and Culture between South East Asia and North East India in the backdrop of India's Act East Policy*" in our college at 11.00AM on 25 January, 2017. The talk is being organised by the **Centre for Promotion of Trade & Commerce between North East India & South East Asia**, a centre formed in 2015 at Golaghat Commerce College with the basic intention of facilitating trade and commerce related interaction between people of the two regions. One of the main objectives of the centre is to augment people to people contact by facilitating avenues for mass interaction through culture and sports related activities. In the backdrop of India's Act East policy, the centre is willing to act as an intermediary body for percolating government agendas to the masses across the border of these two regions.

We hope you will accept our invitation and enlighten us with your valuable and illuminating speech.

With regards,

Yours sincerely,

Dr. Jatindranath Saikia

Comment from Resource Person.

It was a nice experience to share some ~~inf~~ information about the newly introduced Indirect Tax (GST). Most of the teachers and some of the students were very ~~keen~~ much interested to know the benefits of the GST. Hope this type of interesting session will be organised in future too.

Jai

It was a wonderful program on GST introduced recently. Responses from the teachers and students were quite satisfactory. Anticipating to conduct such program in near future.

About Golaghat Commerce College:

Golaghat Commerce College is situated at Jyoti Nagar, Golaghat and it is about 1.3 km. away from town bus stand and easily approachable from Jagat Goswami Path and D.R. College road. The mission of the college is to cater the academic and professional needs of the students through value based quality education and also to promote the marginalized students in order to uphold social equality with an objective of creating ethical human capital in the form of globally competent entrepreneurs, managers and business.

GOLAGHAT COMMERCE COLLEGE TEACHERS' UNIT (ACTA):

The ACTA Unit of Golaghat Commerce College is affiliated to Assam College Teachers' Association. The unit is one of the most active units of Golaghat Zone as well as Assam College Teachers' Association. Since the day of its inception, the unit has been engaging itself in various development activities in the society.

ABOUT THE PROGRAMME:

The programme is all about the application of Information and Communication Technology (ICT) in teaching. The importance of ICT in today's world needs no further explanation. It is perhaps the single massive drive, touching each and every sector for the last two decades. The importance of ICT in teaching undoubtedly is as important as traditional mode of teaching. With the introduction of various courses by the universities and boards, it is the pick time to come up with the up-to-date knowledge about the implication of ICT in day to day teaching.

HOW TO REACH GOLAGHAT:

Golaghat is about 300 km away from Guwahati-the gateway to North East India and it is well connected to all the major cities of India. From Guwahati, bus and train services are available to Golaghat. The nearest airport is Rowrah in Jorhat town which is about 48 Km away from Golaghat. The nearby Railway junction is Purkating at a distance of 8 kms, along with the Golaghat Town railway station at a distance of 1.4 kms. The district is very famous for world famous tourist hotspot Kaziranga National Park, the world heritage site, the Nambor Reserve forests are at a distance of 50 kms & 25 kms respectively from Golaghat town.

The programme aimed to provide awareness and knowledge about various legal provisions for **Domestic Violence, Consumer Protection and IPR.**

At the initiative of Equal Opportunity Cell, An Awareness Programme was organized on Eradication of Social Evils and Legal Awareness in Rural Society on 29th June, 2017 at Teteliguri, Gomariguri, Golaghat. The programme was attended by the villagers of Teteliguri and the staff of Golaghat Commerce College. The program commenced with a welcome address delivered by Mr. Biswajyoti Doley, Convenor of Equal Opportunity Cell in which he highlighted the importance of organising such a programme and addressed the issue of prevalence of witch hunting and witchcraft in North East India. Following him, Dr. Jatindra Nath Saikia, Principal, Golaghat Commerce College too welcomed the audience He stated the urgency of organising this programme in rural places where witch hunting largely takes place. He maintained that the lack of proper education among indigenous people and the government's failure to provide required aids can be considered two of the primary reasons behind the birth of such a heinous crime. Mr. Jadav Mech, Secretary District Legal Services Authority in his speech shared multiple stories of witch hunting from Assam. He stressed on the fact that laws against witch hunting are not enough to curb its prevalence. He emphasized that witch hunting can be completely eradicated only by collective efforts of both common people and the law. Mr. Nitul Bora, Golaghat Bar Association in his speech focused on the roles educational institutions can play in abolition of the practice of witch-hunting. The faculty members and the local villagers also

shared their experiences and interacted with the distinguished Resource Persons. The vote of thanks was delivered by Mr. Bhaskar Kakati, Assistant Professor, Department of Political Science.

Title of the Program/ Event	International Seminar on Emergence of Small Tea Growers’, its impact on Tea Industry and the way forward
Organizer	Golaghat Commerce College and All Assam Small Tea Growers’ Association
Date	7th April, 2018
Venue	Rana Tamuly Memorial Auditorium, Golaghat Commerce College
No. of Participants	125

An International Seminar on “Emergence of Small Tea Growers, Its Impact on Tea Industry and the Way Forward” was jointly organized by Golaghat Commerce College and All Assam Small Tea Growers Association on 7th April, 2018 on the occasion of the 10th Tri-ennial Golaghat State Convention, All Assam Small Tea Growers’ Association. The seminar sought to understand the present Tea Industry situation and to try and mitigate challenges that the Small Tea Growers are facing and navigate the possibilities. The seminar was attended by delegates belonging to the Tea industry along with dignitaries from Bangladesh and Nepal.

The delegates present were:

- Sri. Mrinal Saikia, MLA, Khumtai LAC,
- Sri. Bidyanand Borkakoti, Vice Chairman, Tea Board of India,
- Sri. Bijay Gopal Chakraborty, Chairman, All India Small Tea Growers’ Association,
- Dr. Kamal Buzarbaruah, Vice Chancellor Assam Agriculture University Jorhat,
- Director, Tocklai Tea Research Institute
- Director, Tea Development Board
- President, CISTA

Many other renowned persons associated with the tea industry namely Mr. Nepul Saikia Chairman NETA, Mr. Manoj Jallan ex- Chairman North Eastern Tea Association (NETA), Mr. Malpani executive member NETA, Mr. Manoj Jallan, Director Golaghat Tea Estate, Mr. Kamal Buzarbaruah, VC, Assam Agricultural University, Mr. Bijay Gopal Chakraborty, Chairman, All India Small Tea Growers Association were also present in the seminar.

Although, Golaghat Commerce College, as a Higher Educational Institution is not directly involved in the arena of production and manufacturing of tea and the problems associated with

the tea industry, it is not quite novice in this field as well. The college is running a post-graduate diploma course in Tea Plantation and Management in collaboration with North Eastern Tea Association (NETA) and this experience has put the college in an advantageous position in comparison to other Higher Educational Institutions in the district to organize an International Seminar on a topic of such practicability associated with the stakeholders of the tea industry in Assam. Teaching staff of the Institution were encouraged to attend the seminar and 32 teachers from the college attended the seminar. Quite a good number of small tea growers from major tea producing countries like India, Sri-Lanka, Nepal and Bangladesh participated in the seminar, and some of them presented their papers as well

Issues like the colonial legacy of tea still haunting tea industry, the emergence of small tea growers in variegated geo-economic and socio-cultural conditions, and the problems faced by STGs in contradistinction to the ones encountered by the larger tea estates etc. were discussed in the seminar. In the course of the discussion, it was pointed out that while the blenders and marketing channels appropriate ever-increasing profits, the small farmers have to bear the burden of fluctuating and falling commodity prices. In his profile, the small-holder tea grower is devoid of knowledge, starved of resources and lacking in organization particularly in respect of doing effective marketing. It emerged from the discussion that while farmers need some help in production, they need more help in manufacturing and most help in marketing

NATIONAL WEBINAR on "Higher Education Revolution: Reflections on National Education Policy, 2020".

Concept note

The announcement of the aspirational National Education Policy, 2020, has paved the way for a Higher Education revolution in India.

Consequently, there is an immediate need to understand how best the policy has addressed the requirements and demands of the higher education sector and what are the challenges to implement the policy in letter and spirit. The proposed event has been curated with the goal of bringing together experts from the Draft Committee NEP 2020, academia and the industry who would provide critical insights into the policy from different perspectives.

The rapid pace of change around the globe has compelled the government, the academia and the industry to function in sync with each other to address some of the major challenges of the higher education landscape.

Join the National webinar on National Education Policy, 2020 and our esteemed panellists in this endeavour to look closer and evaluate the fine-print of this breakthrough development.

Dr. Ranjit Singh, Associate Professor, Indian Institute of Information Technology, Allahabad and Dr. Gour Gopal Banik , Associate Professor , Department of Commerce , Gauhati Commerce College, Gauhati were the speaker of the webinar . Dr. Ranjit Singh spoke on the topic “Business Policies and Strategies for Small Business Enterprises in New Normal” and Dr. Gour Gopal Banik on the topic “New opportunities for the entrepreneurs in the new normal”.

Dr. Rinki Das, HoD, HRM Department, hosted the meeting. Mr. Paresh Saikia, Principal, opened the webinar with the inaugural speech where he conveyed that the emergence and importance of entrepreneurship post liberalization period in India. Dr. Jiban Jyoti Kakati, Co-ordinator, IQAC, gave the welcome speech. Dr. Jiban Jyoti Kakati also focused the importance of entrepreneurship especially in North Eastern Region in the post covid time mainly for youths who were returning back to the region from other states.

Dr. Ranjit Singh spoke on the topic “Business Policies and Strategies for Small Business Enterprises in New Normal”. He cleared the concept of business policies and New Normal. The importance of entrepreneurship was clearly explained with many practical examples. He clarified to the participants, mainly the students, how old business is done in new forms with the use of technology. In Assam according to Dr. Ranjit Singh the opportunities for Agropreneur in the field of Tea cultivation, Fisheries, Mushroom cultivation, Herbal products etc but the method of doing agriculture has to be modernized. Despite of opportunities entrepreneurship is not to the optimum level in the region for reasons unknown to the speaker. Dr. Ranjit suggested to the students to find problems around them and take the problems as opportunities for doing business. The region has land, labour and capital but there is a dearth of habit of entrepreneurship among the youths in the region. He gave importance of “Nudging” and “Exposure theory” for the creation of entrepreneurial culture among the youths. The role of “Incubators” was highlighted by Dr. Ranjit Singh.

Dr. Gour Gopal Banik started his talk with the importance of physical, mental, intellectual and spiritual development in a person's life. Dr. G.G. Bonik explained the concept of "New Normal" or "New Paradigm Shift". The resource person highlighted the schemes of the government. He talked in detail about "Atma Nirbhar Bharat".

In the discussion session, the resource persons clarified all questions of the participants. Vote of thanks was given by Mr. Rajesh Jaiswal, HoD, Dept. of Commerce.

The Dept. of Mathematics in collaboration with the IQAC organized a **National Webinar on “The Story and History of Pi (π), a Mathematical Constant”** on 27th August 2020. Mr. Paresh Saikia, Principal in his inaugural address highlighted the features of Pi that it is an irrational number pi cannot be expressed as a common fraction although fraction such as 22/7 are commonly used to approximate and its decimal representation never ends and never settles into a permanently repeating pattern because of its most elementary definition relates to the circle pi is found in many formulae in trigonometry and geometry especially those concerning circles elapses and spheres several books devoted to pi have been published. The record-setting calculations of the digits of pi often results in news headlines and to know more about such a widely used unique number department of mathematics and statistics Golaghat commerce college is organizing this national webinar inviting a prominent resource person.

The Resource Person **Dr. Nayandeep Deka Baruah, Professor, Tezpur University** in his talk spoke about Pi that from our school days we know that 22 over 7 is a is an approximation of the value of pi but pi is irrational and 22 over 7. He said that there is a very interesting history behind PI that started for a long time over four thousand years that means over four millennia this constant has been studied so therefore it is also known as the constant of the **king of constants** that means that it is this is recognizable by everybody and it appears in almost every branches of science physics in chemistry everywhere in engineering and it is recognizable by the common people.

He also added that the study of pi has been started for over 4 thousand years but there are only five or six actual methods of calculating the value of pi there are many other formulas but mainly

four methods are there and many of the great mathematicians of ancient time were involved in the study of pi for example long back the Greeks then Archimedes, Euler, Gauss then Ramanujan and many more were involved in the study of phi and this is the only constant that has been studied quite extensively till today.

CONCEPT NOTE

Pi (π), the 16th letter of the Greek alphabet, is used to represent the most widely known mathematical constant, which is the ratio of the circumference of a circle to its diameter. No matter how large or small a circle is, pi will always work out to be the same number. Because its most elementary definition relates to the circle, Pi is found in many formulae in trigonometry and geometry, especially those concerning circles, ellipses, and spheres.

Pi occurs in various mathematical problems involving the lengths of arcs or other curves, the areas of ellipses, sectors, and other curved surfaces, and the volumes of many solids. It is also used in various formulae of physics and engineering to describe periodic phenomena such as the motion of pendulums, the vibration of strings, and alternating electric currents. The ubiquity of Pi makes it one of the most widely known mathematical constants both inside and outside the scientific community.

An International Webinar on “Vartaman Hindi Sahitya: Dristee Aur Mulyaankan” was organised by Dept of Hindi and IQAC on 30th August, 2020 which was inaugurated by Mr. Paresh Saikia, Principal Golaghat Commerce College. Ms. Junti Duarah, HOD, Dept of Hindi coordinated the webinar. In his talk the resource person Prof. (Dr.) Hemraj Soonder talked about the importance of good literature in improving the society. He emphasized that writers should create socially useful literature and which must be worthwhile to the readers. He also said that literature has to come forward in solving the deculturization of the society. Prof. Ramesh Rishikalp spoke about the changing lifestyle of a person and that aspects are also to be depicted in their literature. The fast paced life and mental stress have now become the subject matter of many stories and novels. Today’s turmoil, tragedy, nepotism, ideological politics, anarchy and crumbling human values have been made the subject matter of their writings by the present writers.

A National Webinar titled “Transculturalism, Translation and Identity: Exploring India’s North-East and Beyond” was held on 7th September, 2020. Mr. Paresh Saikia, Principal I/C of Golaghat Commerce College gave the welcome address. In his opening remarks, Dr. Jiban Jyoti Kakoti, HOD, Department of English stated that the webinar attempts to discuss the nuances associated with transculturalism, translation and identity with special reference to North East India. Dr. Pradipta Borgohain, Professor of Department of English, Gauhati University and Mr. Aruni Kashyap, Assistant Professor of Creative Writing, University of Georgia, Athens graced the panel and offered valuable insights on the topic. 125 participants from around the state participated in the programme and gave their feedback.

NATIONAL WEBINAR on "TRANSCULTURALISM, TRANSLATION AND IDENTITY : EXPLORING INDIA'S NORTH-EAST AND BEYOND"

ORGANIZED BY :
Department of English, Golaghat Commerce College
in association with
Internal Quality Assurance Cell

CONCEPT NOTE

The Indian region stereotypically referred to as the "umbrella term" North east India comprises of eight states. Although these states are often clubbed as "North-East India", each of these states has different culture, tribe, ethnic group, myths and legends.

However, these states have some shared issues and common grounds often dealt by the writers of this region. The term multiculturalism acknowledges cultural differences but fails to advocate engaging interactions among different cultural and ethnic groups. Transcultural, on the other hand, refers to a dynamic cultural interaction focusing primarily on the mutual exchange of ideas and cultural norms among diverse ethnic groups. Translation is a process through which people living in a multicultural society like the one we have in North East can learn from one another and grow together. Translation also leads to redefining one's identity in relation to the other.

The webinar is an attempt to discuss the nuances associated with transculturalism, translation and identity with special reference to the North Eastern region of India. Join the National webinar and our esteemed panelists in this endeavour.

Golaghat Commerce College |

Golaghat Commerce College is a leading higher education institution established on 9th of October 1972 in Jyoti Nagar, Golaghat of Golaghat district of Upper Assam, India. Affiliated to Dibrugarh University, the college has various departments running Higher Secondary and Undergraduate courses both in Commerce and Arts, and regular M.Com courses. The college offers M.A. and M.Com courses in DODL, and is entirely dedicated to providing quality education to students coming from various spheres of the society. The college also has a Centre for Tea Plantation Management in collaboration with North Eastern Tea Association.

Women's Cell, Golaghat Commerce College |

The Women's Cell Golaghat Commerce College was formed in the year 2004 under the supervision of the then Principal i/c of GCC, i.e. Alpina Handique, as per the guidelines of UGC. The Women Cell aims at the advancement of women of the state of Assam in particular and women of Northeast India in general. Since its establishment the cell has incessantly worked for the upliftment of the socio-economic conditions of the grass-root level women of the society. Various dimensions of women and children's lives such as status, education and training, health and nutrition, environment, housing, human rights are the focus areas of its activities. The cell has adopted a village and has been working for the upliftment of the community. Currently it is also carrying out research on the women related aspects in Golaghat.

About the FDP |

Since time immemorial, mankind has witnessed multifarious crises following which the entire world has undergone metamorphosis innumerable times. Having said that, history has been a constant reminder and concrete proof of the fact that we have survived every fall.

However, every such crisis does an irreparable damage to every section of the society. Regardless of where one looks, it is most likely the women who suffer the most. The ongoing pandemic too, yet again, has given us a crystal clear picture of the vulnerability enveloping the women in our society.

The main motive of this FDP is to throw light on their sufferings - physical, psychological, emotional and economical; and further analyse their role and survival strategies during the pandemic. This FDP is our genuine effort to understand the dynamics of the roles, especially played by women during COVID 19.

A webinar on the topic “Introduction to Massive Open Online Courses (MOOCs) was organised by IQAC, Golaghat Commerce College on 7th August, 2021. The webinar sought to sensitize the students of Golaghat Commerce College and all the Degree Colleges of Golaghat district, on the role and application of various MOOCs platforms such as SWAYAM, Future Learn, Coursera, Udemy, edX etc.

In his welcome address, the Principal, Dr. Utpal Sarma stated that the switch to online and digital education formats as a result of COVID-19 has led to the popularity of Massive Open Online Courses (MOOCs) all over the globe. However, many students have not yet embraced the benefits of MOOCs and other Open Educational Resources.

Therefore, webinars such as this are important to encourage the educators to plan, design, develop MOOCs and other Open Educational Resources and contribute towards innovative teaching. The programme was moderated by Dr. Pranjal Pratim Dutta, Assistant Professor of Accountancy and Coordinator of IQAC, Golaghat Commerce College. Being an active facilitator of digital education, the Resource Person N. Amareswaram Reddy deliberated on the topic and shared his ideas with the participants. The event came to a conclusion with a vote of thanks by Ms. Himadri Gogoi, Assistant Professor, Department of English

An online Lecture Program on Investment Awareness was organized by the Dept. of Banking in association with IQAC, Golaghat Commerce College. The coordinator for the programme Mr. Manash Pratim Sarmah, HOD, Department of Banking welcomed the participants, resource persons and the attendees. The inaugural speech was delivered by the principal Dr. Utpal Sarma where he spoke about investment as a strategy of putting money into different areas and assets so that it generates rate of return. There are avenues such deposits in banks, investing in equities, mutual funds, gold these are certain ways how our money can be invested or money can be utilized with an aspect which has an expectation of earning returns.

Prof. Pranjal Bezborah spoke on the power of compounding which has a huge impact when it comes to stock market. He emphasized that our hard-earned money cannot be invested in the schemes which we don not have much knowledge. One should be very wise while investing and follow the principles of wise investing that is to save prudently and invest even more wisely and prudently. While investing one should be wiser if we do not know the revenues of investment and therefore must take help of the experts and diversify our portfolio, by not investing our surplus money savings in one place only but investing in different investment avenues. He also highlighted a very important aspect that while investing one should not be greedy and must have a reasonable expectation.

Ms. Sangita Das, Assistant Professor, Dept. of Banking thanked the resource person, participants and attendees.

P. Bezborah is presenting

Financial Planning

- For any dream to come true, it is important to set certain goals for oneself. The same holds true even in the case of financial investments. One can spend an entire life earning and saving money, but if one has not planned and invested smartly, it will all be in vain.

Smart Financial Plan

- Whatever you want in future - a secure retirement, holiday, car, home, business - Only good financial planning will get you there.
