In many libraries, daily visits of the members need to be registered to keep track of daily footfall and members using the system. Once you invoke this option on the terminal near the entrance or on OPAC terminals of the Library, Members are supposed to scan the ID card or enter the ID Number manually and use the system.

The screenshot shows a 'Member Login' window with a 'Welcome' message for PRANJAL PRATIM DUTTA (FA6521060001). The window includes a checkbox for 'Login/Logout Using Barcode Scanner', a text input field for 'Member Code/ID', and buttons for 'Login/Logout', 'Logout All', 'Report', and 'Exit'.
