Principal's Message

Dear Colleagues!

I take this opportunity to put forward our Annual Report for the Academic Year 2018-2019. We as a family of faculties, staff and students strive to work towards the mission and vision of the college united. In path of imparting knowledge we attempt to create minds to invent, discover new things. To bridge gap between institute and job market we have initiated programmes, activities, and seminars in lieu to present context. Golaghat Commerce College has a continuous evaluation system for both students and teachers. We assess the students' strength and weakness and address their needs through Mentor- Mentee, Add- on Courses, and Lectures by experts in their respective fields.

It gives me immense pleasure to congratulate my students for their success in achieving academic excellence and give a message of thanks to my team of faculties for their continuous effort to bring the best out from their students using both traditional and modern methods of teaching.
