Principal's Message

The academic year 2019-2020 was a year of hope, optimism for both students and faculty members as it was a usual year with Covid-19 spreading its wings on humanity. There was a sudden halt in all activities since mid March but gradually with positive thoughts and determination we bounced backed. With confidence, we managed to complete all the requirements of an academic year and boost the moral spirit of our students.

The students profile has been steadily changing and we are increasingly dealing with digital world. In the annual report we give a glimpse of the achievements and activities of the college.
