About the Seminar

Introduction
The North Eastern Region (NER) refers to the easternmost region of India comprising of eight states and it shares borders with five South Asian countries Nepal, Bhutan, China, Myanmar and Bangladesh. The region accounts for 7.9 percent of the country's land space and is the territory of around 3.8 percent of India's population. The North-East Region is one of the back-ward regions of India characterized by low per-capita income, low capital formation, in-adequate infrastructure facilities,

geographical isolation and communication bottleneck, inadequate exploitation of natural resources like mineral resources, hydro power potential, forests etc. Apart from these, there are inter-state differences with respect to their resource endowments, level of industrialization as well as infrastructural facilities.

After independence, the Government of India (GOI) has persistently tried in developing sustainable livelihood and integrating approaches to tackle poverty in India. In addition, employment generation to eradicate poverty was accepted as a goal of development planning. Since 1960s, series of measures were taken such as nationalization of banks, expansion of rural branch networks, mandatory system of priority sector lending, extension of subsidized credit, establishment of regional rural banks (RRBs) and the Integrated Rural Development Program (IRDP). These initiatives have increased rural outreach and credit volume to some extent. However, higher operational costs as well as unsuitable and unprofitable institutional structure conceived these programmes as supply led and not demand driven. In addition, the lack of entrepreneurial skills and absence of backward and forward linkages led to the failure of government initiatives. Huge non-performing assets (NPAs) weakened the strength of financial institutions and further reduced their interest in rural areas. The era also witnessed the establishment of apex institutions such as National Bank for Agricultural and Rural Development (NABARD) and the Small Scale Industries Development Board of India (SIDBI) and many civil societies, which were extending credit to poor.

In order to encourage entrepreneurship, GOI has come-up with various initiatives such as the National Rural Livelihood Mission (NRLM), National Urban Livelihood Mission and National Rural employment guarantee scheme to reach out to poor families and link them to sustainable livelihood opportunities. Skill India - a multi-skill development programme has been launched in 2014 with a mission for job creation and entrepreneurship for all socio-economic classes. It strives to establish an international equivalent of the Indian framework on skill development, creating workforce mobility and enhancing youth employability. The Union Budget 2015 launched the National Skill mission to complement Prime Minister's 'Skill India' and 'Make in India' initiatives.

The key issues flagged for discussion in the seminar are
1. Microfinance and livelihood Approach
2. Capital Formation in Agriculture and Rural Infrastructure
3. Rural Finance- Role of Government

Sub themes

1. Role of local self-government in sustainable rural livelihoods
2. Microfinance and Financial Inclusion in NE Region- Access and Impact
3. Rural Marketing and Infrastructure for sustainable rural livelihoods
4. Rural Financing and Rural Credit- Role of NABARD and RRBs
5. Economic Empowerment of Rural Women through Self Help Group and Micro Finance
6. Role of Poverty Alleviation Programmes in Rural Development
7. Agrarian Structure and Occupational Diversification in NE Region of India
8. Role of Non-farm activities in uplifting Rural Poor
9. Health, sanitation, education and other factors as a precursor for rural development,
10. Information and Communication Technology for Agriculture and Rural Development.

Golaghat Commerce College

The Golaghat Commerce College was established on 9th October, 1972. The college is situated at Jyoti Nagar, about 3 Km. away from town bus stand and easily approachable from Jagat Gowami Path and D.R. College road. The mission of the college is to cater the academic and professional needs of the students through value based quality education and also to promote the marginalized students in order to uphold social equality with an objective of creating ethical human capital in the form of globally competent entrepreneurs, managers and business.

Travel to Golaghat

The college is about 320 km away from Guwahati-the gateway to North East India which is well connected to all the major cities of India. From Guwahati, bus and train services are available to Golaghat. The nearest airport is Rowrah in Jorhat town which is about 45 Km away from Golaghat. The nearby Railway junction is Furkating at a distance of 8 Kms. The district is very famous for tourist hotspots Kaziranga National Park, the world heritage site, is at a distance of 50 Kms from Golaghat town.

3. International Seminar on Small Tea Growers Its Impact on Tea Industry And The Way Forward

Title of the Program/ Event	International Seminar on Small Tea Growers: Its Impact on Tea Industry and The Way Forward
Organizer	Golaghat Commerce College and Small Tea Growers Association
Date	07.04.2018
No. of Teacher Participants	24

An International Seminar on “Emergence of Small Tea Growers, Its Impact on Tea Industry and the Way Forward” was jointly organized by Golaghat Commerce College and All Assam Small Tea Growers Association on 7th April, 2018 on the occasion of the 10th Triennial Golaghat State Convention, All Assam Small Tea Growers’ Association. The program was organized by Golaghat Commerce College and Assam Small Tea Growers Association. Many renowned dignitaries namely Mr. Nepul Saikia Chairman NETA, Mr. Manoj Jallanex-Chairman North Eastern Tea Association (NET), Mr. Malpani executive member NETA, Mr. Manoj Jallan, Director Golaghat Tea Estate, Mr. Kamal Buzarbaruah, VC, Assam Agricultural University, Mr. Bijay Gopal Chakrabarty, Chairman, All India Small Tea Growers Association were present in the seminar. Though as a Higher Educational Institution we are not directly involved in the arena of production and manufacturing of tea and the problems associated with the tea industry, we are not quite novice in this field as well. The college is running a post-graduate diploma course in Tea Plantation and Management in collaboration with North Eastern Tea Association (NETA) and this experience has put us in

an advantageous position in comparison to other Higher Educational Institutions in the district to organize an International Seminar on a topic of such practicability associated with the stakeholders of the tea industry in Assam. Teaching staff of the Institution were encouraged to attend the seminar and 32 teachers from the college attended the seminar. Quite a good number of small tea growers from major tea producing countries like India, Sri-Lanka, Nepal and Bangladesh participated in the seminar, and some of them presented their papers as well

Issues like the colonial legacy of tea still haunting tea industry, the emergence of small tea growers in variegated geo-economic and socio-cultural conditions, and the problems faced by STGs in contradistinction to the ones encountered by the larger tea estates etc. were discussed in the seminar. In the course of the discussion it was pointed out that while the blenders and marketing channels appropriate ever increasing profits, the small farmers have to bear the burden of fluctuating and falling commodity prices. In his profile, the small-holder tea grower is devoid of knowledge, starved of resources and lacking in organization particularly in respect of doing effective marketing. It emerged from the discussion that while farmers need some help in production, they need more help in manufacturing and most help in marketing.

NATIONAL WEBINAR
on
“Higher Education Revolution: Reflections on National Education Policy, 2020”.

Concept note

The announcement of the aspirational National Education Policy, 2020, has paved the way for a Higher Education revolution in India.

Consequently, there is an immediate need to understand how best the policy has addressed the requirements and demands of the higher education sector and what are the challenges to implement the policy in letter and spirit. The proposed event has been curated with the goal of bringing together experts from the Draft Committee NEP 2020, academia and the industry who would provide critical insights into the policy from different perspectives.

The rapid pace of change around the globe has compelled the government, the academia and the industry to function in sync with each other to address some of the major challenges of the higher education landscape.

Join the National webinar on National Education Policy, 2020 and our esteemed panellists in this endeavour to look closer and evaluate the fine-print of this breakthrough development.

Golaghat Commerce College :
Golaghat Commerce College is a leading higher education institution established on 9th of October, 1972 in Jyoti Nagar, Golaghat of Golaghat district of Upper Assam, India. Affiliated in Dibrugarh University, the college has various departments running Higher Secondary and Undergraduate courses both in Commerce and Arts, and regular M.Com courses. The college offers M.A. and M.Com courses in D.D.L., and is entirely dedicated to providing quality education to students coming from various spheres of the society. The college also has a Centre for Tea Plantation Management in collaboration with North Eastern Tea Association.

Women’s Cell, Golaghat Commerce College :
The Women’s Cell Golaghat Commerce College was formed in the year 2004 under the supervision of the then Principal I/c of G.C.C. i.e. Alpana Handique, as per the guidelines of U.G.C. The Women’s Cell aims at the advancement of women of the state of Assam in particular and women of Northeast India in general. Since its establishment the cell has incessantly worked for the upliftment of the socio-economic conditions of the grass-root level women of the society. Various dimensions of women and children’s lives such as status, education and training, health and nutrition, environment, housing, human rights are the focus areas of its activities. The cell has adopted a village and has been working for the upliftment of the community. Currently it is also carrying out research on the women related aspects in Golaghat.

About the FDP :
Since time immemorial, mankind has witnessed multifarious crises following which the entire world has undergone metamorphic immenses times. Having said that, history has been a constant reminder and concrete proof of the fact that we have survived every fall. However, every such crisis does an irreparable damage to every section of the society. Regardless of where one looks, it is most likely the women who suffer the most. The ongoing pandemic too, yet again, has given us a crystal clear picture of the vulnerability encircling the women in our society. The main motive of this FDP is to throw light on their sufferings – physical, psychological, emotional and economical; and further analyse their role and survival strategies during the pandemic. This FDP is our genuine effort to understand the dynamics of the crisis, especially played by women during COVID 19.

A webinar on the topic "Introduction to Massive Open Online Courses (MOOCs)" was organised by IQAC, Golaghat Commerce College on 7th August, 2021. The webinar sought to sensitize the students of Golaghat Commerce College and all the Degree Colleges of Golaghat district, on the role and application of various MOOCs platforms such as SWAYAM, Future Learn, Coursera, Ude my, edX etc.

In his welcome address, the Principal, Dr. Utpal Sarma stated that the switch to online and digital education formats as a result of COVID-19 has led to the popularity of Massive Open Online Courses (MOOCs) all over the globe. However, many students have not yet embraced the benefits of MOOCs and other Open Educational Resources.

Therefore, webinars such as this are important to encourage the educators to plan, design, develop MOOCs and other Open Educational Resources and contribute towards innovative teaching. The programme was moderated by Dr. Pranjal Pratim Dutta, Assistant Professor of Accountancy and Coordinator of IQAC, Golaghat Commerce College. Being an active facilitator of digital education, the Resource Person N. Amareswaram Reddy deliberated on the topic and shared his ideas with the participants. The event came to a conclusion with a vote of thanks by Ms. Himadri Gogoi, Assistant Professor, Department of English
