

Student Attributes Facilitated by the Institution

Golaghat Commerce College considers the students as its most important stakeholders and various efforts have been made to prepare students to function effectively as citizens and in their professional lives in a dynamic world. Apart from teaching discipline specific skills, the college facilitates the development of generic competencies such as critical thinking, problem solving, communication, interpersonal skills, capacity for generating new ideas, capacity to adapt to new situations, ethical commitment, ability for teamwork etc. which are vital in coping with challenges and unexpected situations.

- **Employability:** The institution has a well organized Entrepreneurship, Career Guidance and Placement Cell (ECGPC) that frequently organizes career guidance workshops, placement training programmes, recruitment drives etc. to increase students' employment opportunities.
- **Critical Thinking and Problem Solving Skill:** Through group discussions and debates, students are given opportunities to articulate their thoughts on the spot and develop critical thinking. To develop problem-solving skills among the students, Case Studies and Micro Teaching are incorporated in the teaching-learning process.
- **Communication Skill:** Class presentations, peer teaching, student seminar conducted by all the departments help students acquire extensive knowledge of specific topics and also cultivate their communication skills.
- **Human values, Networking and Team Spirit:** Collaborative learning is endorsed through sports and activities under various forums such as National Cadet Corps (NCC), National Service Scheme (NSS), Red Ribbon Club and other societies functioning in the college. Human values are also inculcated through programmes on professional ethics, compulsory value education courses, yoga sessions etc.
- **Sensitivity towards Environment:** Students participate in cleanliness drives, plantation programmes, awareness campaigns on plastic waste etc. which generates environmental awareness in them. Students are encouraged to follow eco-friendly practices such as segregating waste at source, conserve water, use of cloth banners, maintenance of Vegetable garden, medicinal plants etc.
- **Gender Equality:** Gender sensitization take place through value-added activities, events, celebrations and extension activities organized by various departments

and cells. The Women's Cell of the college organizes interactive sessions and talks to create awareness on gender issues.

- Leadership and Decision making: Student participation in administration is an important initiative taken by the college. Representatives of students serve as members of different committees which helps develop leadership skill and allow them to be involved in the decision-making process.
- Discipline and Punctuality: The college maintains a Code of Conduct for students to develop among them discipline, punctuality and behavioral decorum.
