Members present :

1. Dr TapanBaishya, HOD Dept of Mathematics, DR College
2. Mr Pranjal Bora, Asst. Professor, DR College
3. Nilufar Man Begum, Asst. Professor, DR College
4. Ashik Hussain Mirza, Asst Professor, DR College
5. JhornaSonowal, Asst professor, DR College
6. Dr Karabi Devi, HOD, Dept of Maths & Stats, Golaghat commerce College
7. Dr Rinku Saikia, Asst. Professor, Golaghat Commerce College

Proceedings: Today on 30.11.200, an Inter Departmental Meeting was held in Mathematics Department, DR College under the MoU held between DR college and Golaghat Commerce College.

First of all Dr.TapanBaishya, HOD, Dept. of Mathematics, DR College delivered the welcome message. He welcomed all the faculties. He told that last week in Dibrugarh University a meeting on Mathematics was held where from each district one faculty was invited. The meeting was on syllabus of Mathematics. He described about the meeting proceedings.

After that Dr. Karabi Devi, HOD of Dept of Mathematics & Statistics, Golaghat Commerce College in her speech told the characteristics of NEP,2020 and the change in syllabi in Mathematics in all streams.

After her speech there was a discussion among the faculties. It was told that in Dibrugarh University syllabus still there is no provision for compulsory mathematics for Economics major students. Dr.TapanBaishya suggested that from both the colleges a message should go to the University Academic Register, that as per UGC regulation, Mathematics should be made compulsory for students with Economics major.

At the end, Mr PranjalBora thanked all the faculties present in the meeting and expressed that such type of meetings are very beneficial for both the departments.

30.11.2022
