3. Survey on Women Entrepreneurship: The Prospects and Challenges in Assam with Special Reference to Golaghat Town

A Survey on the Female Entrepreneurs of Golaghat Town was conducted with the objective of throwing light on the contribution made by women entrepreneurs in developing socioeconomic status of women in the thirteen wards that fall under Golaghat Municipal Board and to identify the satisfaction level of these entrepreneurs. The survey also intended to highlight the problems and opportunities for women in the field of entrepreneurship. The survey was based on primary data which were collected through questionnaire. The respondents were given a set of 14 questions and there were 35 respondents in total.
