The members conducted a thorough scrutiny of the IQAC documents and put forth their comment on the readiness of the college for the upcoming NAAC peer team visit on 11<sup>th</sup> and 12<sup>th</sup> January, 2022. The following issues were discussed at the behest of Mock NAAC peer team members during the meeting:

- (i) They suggested that the IQAC office must maintain a proper display of copies of all documents related to all criteria of NAAC assessment. The documents must be arranged criterion wise and displayed with proper shelf labels for easy and convenient access.

- (ii) The Mock NAAC peer team members further suggested that the college must maintain pre-scheduled time for conduction of meetings. The entry to any meeting must be restricted after a definite time so that the meeting can be run without disruptions.
- (iii) The team further suggested that every IQAC office must appoint an assistant IQAC coordinator.
- (iv) It was further suggested that in every departmental presentation, the history, foundation of the departments must be highlighted. Add-on programs, student motivation, intake capacity etc. must be demonstrated within limited number of graphs.
- (v) There must a uniform grievance redressal policy and a SOP for the same must be published, as suggested by the mock team peer members. Similarly uniform policy should be maintained for advanced learners.
- (vi) The team further emphasized that the presentation time for Departmental presentations must be reduced to seven minutes. Therefore, unnecessary details must be skipped and the distinct quality of each department must be highlighted, along with a SWOC analysis.

The meeting concluded with the concluding remark by Dr. Utpal Sarma, Principal, Golaghat Commerce College that the mock visit has been immensely beneficial for the college in preparation for the final NAAC peer team visit.
