Report on Awareness Programme on Waste Management

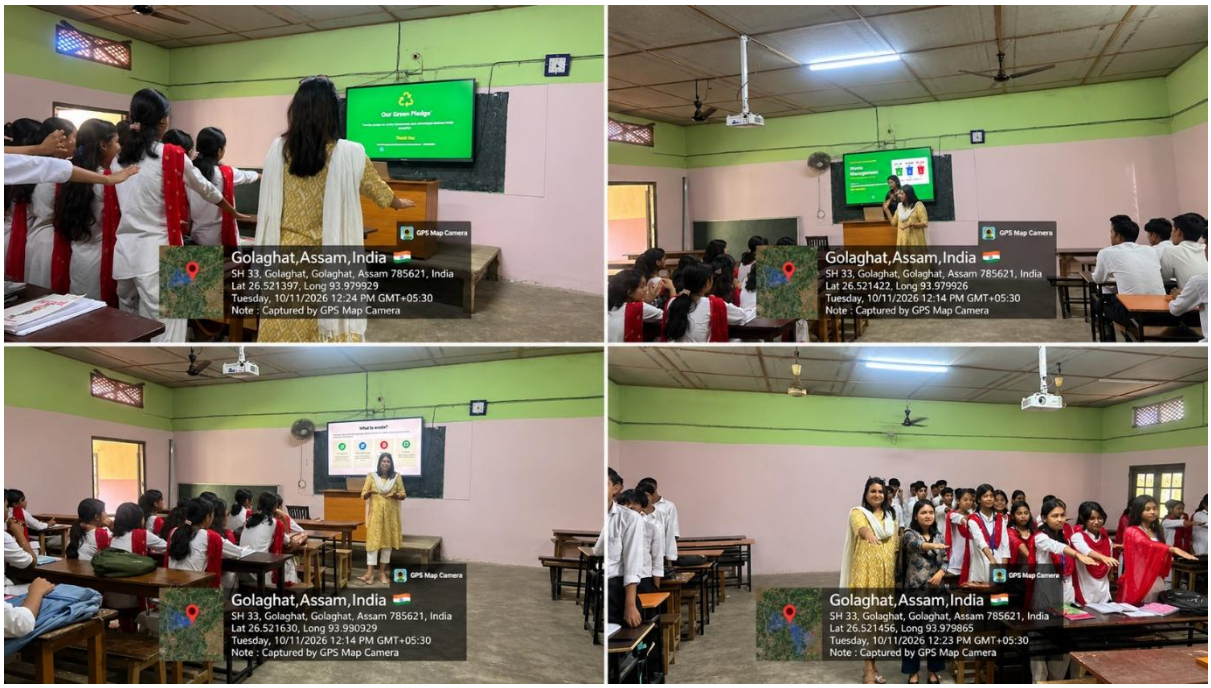

Date: 10 November 2026
Time: 10:00 AM
Venue: Room No. 10
Organised by: Green Audit Committee and Waste Management Committee, Golaghat Commerce College (Autonomous)
Participants: HS 1st Year students
Number of participants: 50

On 10 November 2026, the Green Audit Committee and the Waste Management Committee of Golaghat Commerce College (Autonomous) jointly organised an awareness programme on waste management for HS 1st Year students. It was held at 10:00 AM in Room No. 10, and about 50 students attended the programme.

Dr. Karabi Devi, Convenor of the Waste Management Committee, opened the programme with her welcome speech. She explained the objective of the programme and encouraged the students to find innovative ways of managing waste in their daily lives. She reminded them that responsible waste management begins with individual habits.

Next, Himadri Gogoi, Convenor of the Green Audit Committee, gave a presentation on waste management. The presentation covered the different types of waste and why waste needs to be managed properly. It stressed the importance of segregating waste at the source and explained the 5Rs: Refuse, Reduce, Reuse, Recycle and Rot. Practical examples were given to help the students see how these principles can be followed at home, in the institution and in the community. The programme ended with all the students taking a pledge to manage waste responsibly and to help keep their surroundings clean and green.
